MSEAS Special Issue

Submit your work in MSEAS special
issue of
ICES Journal of Marine Science

Manuscript submission deadline:
September 30th, 2024

(details on the PICES MSEAS website)

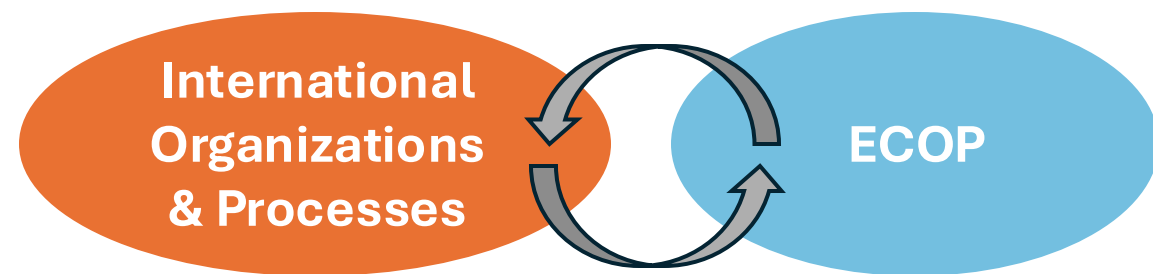

Contribute to works
Future leadership

ECOP Evening Event (June 4th)

- 45 ECOPs (22+ countries) participated!
- Presentation about International Organizations & Processes
- Discussions (1. Science to Policy 2. International Collaboration 3. Interdisciplinarity 4. Career development)

Supporting Career development
Networking opportunities

Graphical Recording at MSEAS 2024

Thank you for contributing your key takeaways/ new insights!

- Online survey will be available until **June 9th (Sun)**
- If you submit your personal information, you will receive notification when the Graphical Recording gets published

Tomita Mary's exhibition
is ongoing in Tokyo!

MSEAS ECOP Presentation Awards

Outstanding Poster Presentations

REON WATANABE

The impact of environmental change on the rationality of the local farming ground allocation system: A case study in Japan

JILLIAN HAMILTON

Safeguarding Indigenous oceanic custodianship: The evolution of Sea Country Planning in Australia

MIGUEL LÓPEZ

Modeling species distribution scenarios and Marine Protected Area effectiveness in conserving and restoring highly impacted ecosystems and demersal fishery resources in the NW Mediterranean Sea

Outstanding Oral Presentations

ABIGAYIL BLANDON

*Seafood
sustainability
values in Japan and
Sweden*

MATTHEW FAITH

*The potential of
plankton as
indicators of changes
to marine natural
capital assets*

KEIKO NOMURA

*International
Fishing Activities
and Conflict Risks
in the Pacific Ocean*
